

DEAR FRIENDS + COMMUNITY MEMBERS,

Let's celebrate our great school! Our Foothill Elementary School Parent Faculty Association (FES PFA) would like to invite you to our upcoming

This is a wonderful event to bring your family to! We will have great food, fun games to play, face painting, bounce houses, our always popular Cake Walk, prizes, and stage entertainment. All the while, each dollar this Carnival raises goes right back to our students at Foothill.

FES PFA is a proud 501(C)3 Non-Profit Fundraising Organization that is committed to enhancing the educational experience for Foothill. These enhancements can include: assemblies, classroom grants, campus improvements, technology, and numerous after-school activities, just to name a few.

We are also looking for families and businesses that would like to sponsor a portion of our Carnival and Silent Auction. This of course helps us cut our costs and brings in more funds that go back to the students.
